Fall Semester - 2023

Dear Professor:

Student-athletes in your course may be absent from class due to travel for athletic events. UNC's Attendance policy (Resolution 2018-1) identifies *Authorized University activities* as a University Approved Absence. This letter is to inform you as to when such absences will occur.

Attached is the varsity sport travel schedule for _____ who is a student-athlete in your course. Please note that because travel rosters often change, the student is responsible for notifying you prior to each expected absence. Not all student-athletes travel for every competition (e.g. Swimming & Diving, Track and Field, and other individual sports). A list of traveling student-athletes is maintained in the Department of Athletics. Should you wish to consult this list, please contact us and we can assist with the verification process.

The student-athlete understands that he or she is responsible for all the work of all class meetings and must make arrangements with you to complete assignments or make-up quizzes or tests. In the event that you are unable to make arrangements for the proctoring of a make-up exam, there are several alternatives, including options provided by other departments on campus. The College of Arts and Sciences Undergraduate Testing Center is one option: <http://testingcenter.web.unc.edu/>. Please contact us directly if you would like to review additional alternatives or if you would like us to assist with the coordination of a make-up.

Please contact us with any questions or concerns regarding team travel or any academic matter concerning student-athletes. Thank you for your understanding with this matter.

Sincerely,

Michelle Brown, Ed.D.
Assistant Provost & Director
